

November 8, 2024

Dear Friends of A Child's Garden Preschool,

As the president of the ACG Board and the mother of two ACG students, I am delighted to invite you to support our wonderful school through the 2024 Giving Campaign. This year, the Giving Campaign serves as ACG's primary fundraiser, and we are eager to encourage everyone in our community to participate.

Your generous contributions will make a significant impact on ACG's incredible work for children and families. This includes the joyful singing and dancing sessions led by Ms. Yaya, busses for our Bosque Education Program, and enhanced curriculum opportunities for all, such as the exciting Halloween potion lab in Ms. Rachel's Pre-K class.

The Giving Campaign also provides each of our educators a membership to the National Association for the Education of Young Children (NAEYC) which allows them to continue their professional development and remain at the forefront of early childhood education.

Every lesson we offer is designed to enrich the learning experience for our young children. However, with the rising costs of salaries and benefits, as well as the need for upgrades to prepare our school building for the future, fundraising has become essential to sustain and enhance our beloved institution.

Our goal is to raise \$10,000 as a community by Giving Tuesday on December 3rd. We are hoping for 100% participation, as well. Please consider giving what you can to support our mission because every donation, no matter the size, will make a meaningful difference.

Here are your convenient donation options:

- **Online Donation:** Visit our Giving Campaign webpage or scan the QR code below to make a secure online donation.
- **Employer Designated Gift:** If you are employed, you can designate your United Way gift to A Child's Garden Preschool.
- **Enclosed Form:** Please fill out the enclosed form for additional donation options.

Our ACG community flourishes because of your support! Donate today and invest in high-quality, play-based education for young children and a nurturing work environment for our dedicated, caring, and highly qualified educators.

Thank you for your continued generosity to A Child's Garden Preschool.

With gratitude,

Erin Halasz
ACG Board President, 2024-2025

Donate Here!

Yes, I want to support A Child's Garden! *(This is a tax-deductible gift.)*

Name _____

Address _____

Email _____

Enclosed is a check for \$ _____

Enclosed is \$ _____ **in cash**

I would like my donation to support:

The Susan K. Smith Tuition Assistance Fund

Unrestricted / Area of greatest need (often includes music classes, enrichment activities, staff salaries and benefits, professional development for educators, capital improvements for the school building)

Please return this form and your donation to the ACG office or mail it to:

A Child's Garden Preschool
215 Locust Street NE
Albuquerque, NM 87102
